RESOLUTION PASSED BY FACULTY SENATE AT THE MAY 2015 MEETING

WHEREAS, the University of Alaska Fairbanks Faculty Senate recognizes the need to revise the Core Curriculum; and

WHEREAS, the Senate wishes to widen student choice in the university's general education; and

WHEREAS, the General Education Revitalization Committee has proposed a "classification list" system (lists of approved courses which fulfill arts, humanities, and social science general education requirements) to replace the current Perspectives on the Human Condition (PHC) courses;

THEREFORE BE IT RESOLVED that during the 2015-2016 academic year the UAF Faculty Senate will adopt a classification list system that will meet general education requirements in arts, humanities, and social sciences in lieu of the currently-mandated PHC courses, with the new system to take full effect as of the 2016-17 Course Catalog.

PROPOSED DISCUSSION ITEM FOR FAC SENATE SEPT 2015 MEETING

The Faculty Senate moves to replace the upper division Oral (O) and Written (W) requirement with the requirement that each degree program must satisfy the following Communications Learning Outcomes within the degree program:

UAF undergraduates will demonstrate effective communication when they are able to:

-
- #
- u

should be done in such a way that all the outcomes are met somewhere in the courses required for the completion of a degree. The Communications Plan for each degree will describe the collection of courses (both in and possibly out of the department) and other requirements (if any) and how they contribute to meeting these outcomes.

3. Departments will submit the Communications Plan for each degree program as part of their SLOA plans, and subsequently, submit a short summary report addressing how the plan is working (and revising the plan as necessary). Once a department has submitted a plan, which will include a required path/collection of paths through the degree wherein students will achieve the Communications Learning Outcomes, then all students in that degree will achieve the Communications Learning Outcomes by virtue of satisfying the degree requirements of that program.

4. Committees will be formed within each school or college (and made up of at least 1 member) to regularly review communications plans submitted by programs.

Communications Outcomes Plans?", so that departments are aware of the impact of potential changes.

facilitate students under catalogs with O/W requirements.

7. Departments should submit as part of their Communications Plans a clarification for how they will handle the transition away from O/W designators for students who fall under a catalog prior to Fall 2016.

8. A web page (similar to the SLOA) will be established where communications plans are collected and disseminated across the university.
